NOTES

The Engine Governor E/5 is essential if the Centre Power Take-off is specified, or if a Rear Power Take-off is specified with Pulley Unit E/3.

If both Rear and Centre Power Take-off are specified item E/6b must be supplied.

The prices quoted for extra equipment are valid only if such extra equipment is fitted before vehicle is delivered from Works. If ordered after delivery from Works a fitting charge will be made.

No allowance can be made for any item of Standard Equipment not required.
